She's a scary fantasy
Cyber flesh delight
A masturbation
Pin-up girl
In a ghoul fright night
Double penetration
With a zombie flare
Black lip stick with
A nasty witch stare
A pig tail temptress
Halloween treats
She's a porno star in
The Astrovamps' show
There's not a lot of girls
Who will fuck in the grave
She's the X-rated girl
Horror rave

Horror Porn Star x4

Knee high stockings
And a skirt so high
A bride like this
Frankenstein would never die
I know what you want
I know what you need

You're my horror girl
With a hungry to feed
She gets paid the
Very, very best
A wicked threesome
With a swallowing test
Now come on
Come on
Come browse my soul
I'm caught in your web
Perverted download
