Ooh ah-ha, ooh ah-ha
Ooh ah-ha, ooh ah-ha
Ooh ah-ha, ooh ah-ha
Ooh ah-ha, ooh ah-ha

Ooh ah-ha, ooh ah-ha
Ooh ah-ha, ooh ah-ha

Check you, check you baby
You're my honey, honey love
I'm gonna shake it up
Get ready to start

California dream
It's a sunny paradise
It's not a love offense
So make a magic night

Ooh, don't you make me cry
I'll never leave you alone
For your love, go ahead and see
Shine on me again

* Show me love, show me love
Can't you be my love, baby
No, no darling, come and show me how to love
Show me how, show me love
Won't you be my love, baby
No, no darling, come and get my love for you

So sweet, so nice (so nice)
My love!

Ooh ah-ha, ooh ah-ha
Ooh ah-ha, ooh ah-ha
Ooh ah-ha ha ha
