Verse 1

Screaming out loud, killing again.
Ponding the sound loud, with our name.
Messing with the bastards, now you gonna pay.
Hearing me is easy, you told me what to say

Loud, we want it, loud.

Chorus

Protector's, protecting you,
He's keeping watch on, watching you.
Protector.
He's the protector and he's looking out for you.
You!

Verse 2

Standing on the bottom, watch it in the air,
Kill it, kill it, kill it and kill it again!
Living at the mayfair, living in despair,
Give it more speed, if we dare.

Loud, do you want it?loud.

Chorus

Protector's protecting you,
He's keeping watch on, watching you.
We'd like it in your minds and hearts and soul.
The feeling towards your,
Nuclear goal.

Verse 3

Weapons of power, with power just the same,
Standing in a crowd, loud with our name.
Messing with the bastards, now you gonna pay.
Hearing me is easy, you told me what to say

Loud, you've got it, loud

Chorus

Protector's protecting you.
He's keeping watch on, watching you.
Protector.

He's the protector and he's keeping watch for you
