

Alien Ant Farm "Courage"

You should try not to be so courageous

Contrary to the matter
Who you are, you are not
Come with me, I'll show you Saturn
Planets don't quite align

You should try not to be so courageous
You should try not to be so courageous

I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding

Traveled far for this lover
Who she was, she was not
But honestly, it don't matter
Aliens ain't farmers

You should try not to be so courageous
You should try not to be so courageous

I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding

I never said you were, I never said you were
You got it all wrong, you got it all wrong
I never said you were, I never said you were
You got it all wrong, you got it all wrong, oh so wrong

You should try not to be so courageous

Remind me
These dismal moods have become contagious
Remind me

You should try not to be so courageous
You should try not to be so courageous

I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding

I never said you were, I never said you were
You got it all wrong, you got it all wrong
I never said you were, I never said you were
You got it all wrong, you got it all wrong
