Cause if you would have been back by now, love this
day
Don't be wrong don't take it away
If you would have been back by now
You'd muster up some sharpness, don't mind my eyes

Two angels sent from down
They bustin' heads cause we won't pray
That bitch won't save me
Why be that low

Cause if you would have been back by now, love this
day
Don't stop
If you would have been back by now,
Muster up some sharpness, don't mind my eyes

These angels tore their gown
Conversion takes more than one day
That bitch won't save me
Why be that low

Cause if you would have been back by now, love this
day
Don't be wrong, don't take it away
If you would have been back by now
You'd muster up some sharpness, don't mind my eyes

Vein, pain, take one away, don't believe
my load

Two angles sent from down
They bustin' heads cause we won't pray
That bitch won't save me
Why be that low

Cause if you would have been back by now, love this
day
Don't stop, if you would have been back by now
Muster up some sharpness, don't mind my eyes

Know, all I know, all I know, and don't be afraid

Know, all I know, all I know, and don't be afraid
