Leather skin
Lately it's what I've been thinking about
This alien girl from above
We can share our love

I got it good for a woman
She's something else
She's not quite human

I got it good for a woman
She's something else
She's not quite human, human

Venusian queen
You're so bright, the sun gets mean
I swear it's a dream
But I pinch myself and you're still green

I got it good for a woman
She's something else
She's not quite human

I got it good for a woman
She's something else
She's not quite human

I'm head over heels for this space case
Something rhymes and no one fades

I got it good for a woman
She's something else
She's not quite human

My head's spinning
Around the world and back again

My head's spinning
Around the world and back again

I got it good for a woman
She's something else
She's not quite human

I got it good for a woman
She's something else
She's not quite human
