Retribution from the damned  
Crowned with scorn  
Dead but alive to witness the end  
Bounded at suicidedawn  
Slaves of the vulture  
Killing yourself for vengeance  
Burn your mind and start the massacre  
Join the legions to declare the final war  
And slay - Slay - Slay - Slay  
Slay - Slay - Slay - Slay!!!

Slay inside your brain - Crushed by pain  
Slay within your dreams - Shattered soul

Bereaved by your light  
The light turns your inside into blackest night  
The nightside of your soul  
Your soul eclipse!

Burn your mind and start the massacre!  
Join the legions to declare the final war and...

Slay inside your brain - Crushed by pain  
Slay within your dreams - Shattered soul

Bereaved by your light  
The light turns my inside into blackest night  
The nightside of your soul  
Your soul eclipse!  
The nightside of your soul... eclipse!
