She traps a velvet moth between her harmless hands
Then builds an atrium to perch on her night stand
She lays to watch her fly, attracted towards the light
She is all mine

It's now another day in search for anything
She'll take advantage of any human being
She loves to watch me fly, attracted towards the light
She's all mine, if she only leave a light on

She breathes under my velvet wings
If she only leave the light on
She brings all that she used to be
If she only left the light on

I swear it's hard to tell if I'm the only one
I found a photograph next to the atrium
It's faded black and white, he's holding her so tight
She's all mine, if she only left the light on

She breathes under my velvet wings
If she only left the light on
She brings all that she used to be
If she only left the light on

All the powder on your wings, make me feel I'm
everything
And every single evening I love you with the way I sing
All the powder on your wings, make me feel I'm
everything
And every single evening I love you with the way I sing

I sing, I sing
I sing, I sing
I sing, I sing
...
