Proud, proud is to hear it all, yeah yeah
Proud, ah proud, proud is to watch us fall, yeah yeah

Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Make wishes don't break mine

Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Don't break mine
Don't break mine

Cold fire use to inspire all, not now
These are tired, maybe they'll find their niche, resort to
wish

Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Make wishes don't break mine

Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Don't break mine
Don't break mine

Don't be low, you better watch the road
Don't be low, you got the strength and the balls
Don't be low, you better watch the road
Don't be low, you got the strength and the balls

Chimes use to break my wish, wish, wish
Chimes use to break my wish, wish, wish

Bring
Won't you bring him back? Not now
Chimes use to break my wish
Won't you bring him back? Not now

Don't be low, don't be low
Don't be low, you better watch the road, road

Don't be low, you better watch the road
Don't be low, you got the strength and the balls
Don't be low, you better watch the road
Don't be low, you got the strength and the balls

Chimes use to break my wish, wish, wish
Chimes use to break my wish, wish, wish
