You and we're family
Whenever we're together we are happy
We sing sang songs like ABC
We kan tu ten like 123
Be good be good
Sometimes we're bad
Do you wanna be good yes yes yo!
Do you wanna be bad? no no nino!
Hey mama hey papi hey brothers hey sister
Tell me what you want what you want for dinner
What do you want for dinner meat!
What do you want to eat pansit!
What do you want for dinner meat!
And it goes a lilsumthinlyk fried chicken!
Friedchicken fried chicken masarap ang fried chicken
Paborito koy pakpak and it goes a lilsumthinlyk fired
Chicken!
Fried chicken yes yes yo!
Mamon mamoninonni sa rap ng mamom!
Fettuccini yes yes yo!
Lechon c'mon c'mon
Papi would you like some sausage?
Nothing could be better
Papi would you like some sausage?
Than a family get together
