One And Only
F.L.O.C.K.

it took one look
and forever layout in front of me
one smile then i died,
only to be revived by you

there i was
thought i had everything figured out
goes to show just how much i know
about the way life plays out

i take one step away
and i find my self coming back to you
my one and only
one and only you ooh ooh

now i know that i know not a thing at all
except the fact that i am yours
and that you are mine
oh, if you told me that this wouldn't be easy
and though im not one to complain

i take one step away
and i find my self coming back to you
my one and only, one and only

i take one step away
and i find my self coming back to you
my one and only
one and only you ooh ooh
