[VERSE 1:]

The 1st part of this song, I guess
Should start with something sweet
Cause lovesongs often do, and you know
Me, I'm such a geek
For songs that I can sing to you
And I'm hoping this could be one
And I hope that you would like
Me... este... like it when I'm done

[VERSE 2:]

The 2nd part is easy to mess up with
Something cheesy
So I better choose my words cause I
Don't want it to be mushy...
Coz' that's the thing with lovesongs
And that's the tricky part
It's hard not to sound corny when you're
Singing from the heart

[CHORUS:]

And when the chorus comes, I must come up
With something clever
Cuz For you it's just a lovesong but for me
It's now or never!
And though I tried my best to make it
Beautiful and true
I Could Never Make A Song As
Beautiful As You...

[ADLIB:]

[CHORUS 2:]

And when the chorus comes again, I must
Say something clever
Cuz For you it's just a lovesong but for me
It's now or never!
And though I tried my best to make it
Beautiful and true

I Could Never Make A Song As
Beautiful As You...

I Could Never Make A Love Song
As Beautiful As You...
