it took
one look
and forever laid out in front of me

one smile
then I died
only to be revived by you

there I was
thought I had everything figured out
goes to show that how much I know
'bout the way life plays out

i take one step away
and I find myself coming back
to you
my one and only
one and only you
oohooo
now I know
that I know not a thing at all
'cept the fact that I am yours
and that you are mine

ohhh
if you told me that this wouldn't be easy
and oh
i'm not one to complain

i take one step away
and I find myself coming back
to you
my one and only
one and only

i take one step away
and I find myself coming back
to you
my one and only
one and only you.
