One And Only You

it took  
one look  
and forever laid out in front of me

one smile  
then I died  
only to be revived by you

there i was  
thought i had everything figured that  
goes to show there's too much i know  
'bout the way life plays out

i take one step away  
and i find myself coming back  
to you  
my one and only  
one and only you

now i know  
that i know not a thing at all  
except the fact that i am yours  
and that you are mine

oh  
if you told me that this wouldn't be easy  
and oh  
i'm not one to complain

i take one step away  
and i find myself coming back  
to you  
my one and only  
one and only

i take one step away  
and i find myself coming back  
to you  
my one and only  
one and only you
