It took one look
and forever lay out in front of me,
one smile then i died
only to be revived by you
there i was, thought i had everything figured out
goes to show just how much i know
about the way life plays out

i take one step, away
and i find myself coming back to you,
my one and only,
one and only you
ooOooh

now i know, that i know not a thing at all
'cept the fact that i am yours
and that you are mine...oOh
you told me that this wouldn't be easy
and though i'm not one to complain

i take one step, away
and i find myself coming back to you,
my one and only,
one and only
i take one step, away
and i find myself coming back to you,
my one and only,
one and only you
