This guy's inlove with you dude (What?)

One look and there it goes
His eyes are sticking at you wherever you go
One smile, it means something
He doesn't think of me just as a friend
Everyday, we're always together.
Every week, we always have a sleep over.
He calls my mother Auntie
Why didn't I see this before?

Bridge

Until out of the blue,I'm feeling so true
Then somebody told me that

Chorus

This guy's in love with you dude
This guy's in love with you dude
This guy's in love with you dude
He's gay all over youâ€¦!

I couldn't answer the telephone
He's always talking to my parents
He lacks sleep and he couldn't eat
Why didn't he just confess it?

Repeat Bridge and Chorus

Everday, Monday's rainy
Coz' he couldn't invite me to come out and play
Hiding from him, always late or absent
And still he says
"I'll always have a friend that you can depend."

Oooohh

we don't need to be onnnnâ€¦!
It's like eggplant and bagoooooongâ€¦!

Chorus

This guy's in love with you dude
This guy's in love with you dude

This guy's in love with you dude
Gay and gay
And Still Converted
Who is flinging with youâ€¦

Repeat Chorus withâ€¦

Oh no! my bestfriend's gay
It's the same old friend i had yesterday
And he's happy.. and gay...
Yeah..yeah..

Na na na nananana na nanan na (2x)
