you better get ready for a big surprise  
you think its almost over  
but its only on the rise  
mental message via visual contact  
louder than any other sexual soundtrack

More margarita for my cute senorita  
triple the tequila just to hotten up the flavor  
chuggin down on my JMB  
while checking the parts of my date's anatomy

forget the brains  
forget the personality  
what i'm after is you effects on my gravity  
like trinity  
flying high with her kicks  
and controlling the game with my heavy duty joystick

repeat \*\*

flip the tip as skip to the next trip  
flashin some cash and some rockstar bullshit  
goin in for the thrill  
i got us a room in a fancy hotel  
and weve got everything we need  
a big bag of money a bigger bag of weight  
and we start to impress as we start to undress  
stop the press we need to get this

repeat \*\*

i'd like to keep it goin  
coz ive got it goin on  
but its vinci's turn on the microphone so...  
ehem my name is vinci and i am neat  
i like pretty girls and i like to eat  
i made this rap from my mind  
and i am very very kind  
i like to drive fast in fancy cars  
and chicks dig me like chocolate bars  
they say i'm bad but i am good  
so shut up now and eat some food

tsong ano problema mo ayusin mo naman  
lagyan mo naman ng tono parang kang  
nangangatwiran  
ano bang inaatupag mo sa bago mong apartment  
sampung taon ka na sikat wala ka bang ibang talent  
tsong ano bang sinasabi mo  
mali ang sinasabi mo  
magaling akong kumanta  
alam mo ba yung picha pie  
kung sa bagay mahusay nga naman yung picha pie  
gamit ang boses mo pamatay nilagyan mo ng kulay  
ang kanta  
diba kahit ikaw ang gumawa alam natin mas ok nung  
ako'y kumanta  
tsong naman please lang wag ka na magyabangang  
alam mo naman na pang back-up ka lamang  
ilan na ba talagang nagawa mong kanta  
ilan  
wala eh ano ngayon  
alam naman nating lahat  
na c vinci naman talaga dapat ang vocalist  
ng parokya band  
parokya ni edgar  
teka lang one minuite  
pwede bang paki ulit maarong may mali ka sa paligo  
subalit bakit mo naman nasabi na ikaw ang nararapat  
e ni isang kata lang man wala kang naisulat  
e bat ibang singers na kahit hindi nila sinulat  
ang kinakanta nila ay sobrang sumikat  
tulad ko at ni kino at ni benedic aquino  
na wala pa yata pang masiskat pa kahit na sino  
ewan ko sandali wag ka ngang makulit  
kung ayaw mo masipa sa mukha ng malupit  
baka makatikim ka ng seswela de kamayo  
na si sista el de gato nasislwila de contodo  
talaga di nga ilan taon na ba ako  
di poque koryano ka magaling ka magtaikwando  
huwag kang mangangas sa lalaking may balabas  
kami ang mga tipon na hindi umaatras  
sandali lang wag muna kayo maglaban  
bago kayo magsuntukan  
bat di niyo muna pagusapan  
ang di maunawaan  
sige na kiss na peace na please  
ang bayad mo sa jeepney kulang pa ng diyes  
kung ayaw mo mangyari ang nangyari sa lahat  
matuto tayo paano magkakumbapa  
wag natin kalimutin kung saan nagsimula  
alam naman nating lahat na mahal namin ang isat isa  
walang iwanan sa parokya band sa parokya ni edgar  
band....

band....  
aaaa di ko na alam paano tatapusin yung kanta  
kaya ganito nalang bigla nalang mawawala
