Thin red line

It hurts like a hero
Down at just about zero
Like we shipped out on vino
Running round on the nearest cloud

I walk a thin, walk a thin red line
I walk a thin, walk a thin red line
Girl you elude no matter how I try
I walk a thin, walk a thin red line

I dug up a man-hole
In a serious show
On a reasonably sane boat
I'm picking bones from my mobile home

I walk a thin, walk a thin red line
I walk a thin, walk a thin red line
Wild dogs salute me as I'm walking by
I walk a thin, walk a thin red line

I always said, I always said

Love is resurrection - and it can fool you
I always said, I always said
Love is a distraction - but it can cure you

It's trick getting hold on
My favourite soul
And it's better you and me know
There's a cat in my face
And she's called Garbo

I walk a thin, walk a thin red line
I walk a thin, walk a thin red line
I'd introduce you but you're not my sign
I walk a thin, walk a thin red line

I walk a thin, walk a thin red line
I walk a thin, walk a thin red line
I would seduce you if I had the time

I walk a thin, walk a thin red line
