

## Attrition "Two Gods"

Visit "[Two Gods](#)" on MotoLyrics.com

I'll take you by the hand and make you one  
And leave you by the river when I'm done  
And walk across the water to the sun...

Two Gods...  
Bet on two Gods

I'm naked and I'm hungry in my room  
I'm tearing arms from deities for fun  
This hell is like a holiday, with guns...

Two Gods  
Bet on two Gods

I'll bring a little magic to your room  
And pass to the assassin who has none  
He's taking out the tyrant, for his son

Two Gods  
Bet on two Gods

Two Gods  
Are better than one...
