"Don't Change"

I'm standing here on the ground
The sky above won't fall down
I hear no evil in all directions
Resolution of happiness
Things have been dark for too long

So don't change for you
Don't change a thing for me

I found a love I had lost
It had been gone for too long
I hear no evil in all directions
Execution of bitterness
Message received loud and clear

So don't change for you
Don't change a thing for me

Don't change for you
Don't change a thing for me

I'm standing here on the ground
The sky above maybe won't fall down
I see no evil in all directions
Resolution of happiness
Things have been dark for too long

So don't change for you
Don't change a thing for me
Don't change for you
Don't change a thing for me

No don't change for you, don't change a thing
