Suddenly I go crazy, Suddenly I go crazy.

Suddenly I go crazy, Suddenly I go crazy.

I like to watch,
I love to touch.
You whisper pretty things and you make me blush,
I like to talk, I want your phone.
I cannot behave of, off control;
I have got to just make it easy.
I know what you came for,
So don't you tease me.
I got the best uh believe me,
I love 0:00:39
I made you mine and never leave me.

Go it 0:00:42 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Go it 0:00:50 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:00:56 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:01:04 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Suddenly I go crazy, Suddenly I go crazy. Suddenly I go crazy, Suddenly I go crazy.

0:01:20 hands all on me, And when you're inside, it's my fantasy.

I got to just make it easy,
I know what you came for,
So don't you tease me.
I got the best uh believe me,
I love 0:01:36
I made you mine and never leave me.

Got it 0:01:39 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:01:46 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:01:54 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:02:01 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Suddenly I go crazy, Suddenly I go crazy.

Got it 0:02:22 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:02:31 come play me,

Touch me there I get hazy.
Suddenly I go crazy,
And once your know you must save me

Got it 0:02:37 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Got it 0:02:45 come play me, Touch me there I get hazy. Suddenly I go crazy, And once your know you must save me

Suddenly I go crazy, Suddenly I go crazy.
