Chaos brings order, yeah brings order.
Chaos brings order, yeah brings order
Who will you allow to lead you blindly until the end?
Until the end?
You're like a little girl with a stupid crush. With a stupid
crush.
Crush.
We all sing glory, we all sing.
We all sing glory, we all sing.
We all sing glory, we all sing.
We all choke ourselves with our own ignorance.
Ya.
There is so much more to life than your stupid desires.
No, nothing is everything, and everything is something.
Confused? Troubled? Troubled?
Finding the meaning is looking through the vivid
transparencies. The vivid transparencies.
Dance the night away because tomorrow we will look
back and talk about good times now gone forever.
Trace lines around the image of your choice.
Dance until the end my friend.
Dance until the end my friend, and find joy in every
living thing.
In every living thing, every living thing.
Whoa.
Optimism is not a choice, it's a belief.
Optimism is not a choice, it's a belief.
Optimism is not a choice, it's a belief.
Optimism is not a choice, it's a belief.
