Baby I see you cruising down on my lane rum rum
You are so sexy that I cannot complain
I'm about to back it up a lil
So you can speed it up closer to me

And don't you know how bad
That I want you to switch the gear on me
And pull up to my drive through
Open 24 hours a day, come babe.

Crash into my bum yeah, break into the rear end
Crash into my bum yeah, bump my bumper real fast
Crash into my bum yeah, break into the rear end
Crash into my bum yeah; bump my bumper real fast

Baby, better put your feet on the breaks
Because if we go too faster I'm a faint,
I'm a have to buckle up, because your driving limit got
me insane

And don't you know how bad
That I want you to switch the gear on me
And pull up to my drive through
Open 24 hour a day, come babe.

Crash into my bum yeah, break into the rear end
Crash into my bum yeah, bump my bumper real fast
Crash into my bum yeah, break into the rear end
Crash into my bum yeah; bump my bumper real fast

Oh boy I enjoy when you get close to me
When pull up behind and you start to reach
All the places forbidden that only you can touch
Ooh I want you so much.

Admit it boy, you know wanna lick it. Crash into it
And kiss it before ripp it,
Pull my hair side to side while I hop like a cricket
Riding so fast I'm about speeding ticket

I'm a cherry bomb on a tree, come and pick me

Come get bite the sweet outta me,
Get the living life outta me,
If you are really really nasty then call me queen B

Crash into my bum yeah, break into the rear end
Crash into my bum yeah, bump my bumper real fast
Crash into my bum yeah, break into the rear end
Crash into my bum yeah; bump my bumper real fast
