Oooh A-A-A
Oooh

Loving you is like playing with Dynamite
But to stay away from you
I got to put, put up a fight
I can't seem to get you out of my mind
No matter how hard I try

Danger, danger, he's dangerous, danger straight
ahead...
Danger, danger, he's dangerous, danger straight
ahead...

You're so explosive just like TNT
Loving you is getting the very best of me
I can't seem to get you out of my mind, no matter how
hard I try

Danger, danger, he's dangerous, danger straight
ahead...
Danger, danger, he's dangerous, danger straight
ahead...

I can't seem to get you out of my mind no matter how
hard I try

Danger, danger, he's dangerous, danger straight
ahead...
Danger, danger, he's dangerous, danger straight
ahead...
