Never say you gonna leave  
Never say you gonna stay  
Unless you feel my heart's still broken since you left  
Never know who is gonna go  
Until they're gone but life moves on  
And when you cry, do you die, do you feel that is your  
time

Well that's all and there's no one home  
For this time boy, leave me alone

I am up on the feet, I just had to leave  
I am gone, gone, gone  
You had the best me can't you see  
I want to be just

You make me cry every single time  
So baby I am gone, gone, gone  
I am gone away

Let's say take another ride  
Cause it's about time do you get things right  
Because I know you're going to break my heart  
I know I want to go, in your heart don't want to be, don't  
be  
And when you cry, do you die, do you feel, that is your  
time

Well that's all and there's no one home  
For this time oh, boy I got to go.

I am up on the feet, I just had to leave  
I am gone, gone, gone  
You had the best me can't you see  
I want to be just

You make me cry every single time  
So baby I am gone, gone, gone  
I am gone away

You want me back

No, I don't think that  
Maybe you love me still  
Gone, gone, gone

You want me back  
So I won't be back  
Then maybe you'll change your mind  
Gone, gone, gone

I am up on the feet I just had to leave  
I am gone, gone, gone  
You have the best me can't you see  
I want to be just

You make me cry every single time  
So baby I am gone, gone, gone  
And I am gone away

Never say you gonna leave  
Never say you gonna stay  
Unless you feel my heart's still broken since you left  
Never know who is going to go  
Until they're gone but live moves on  
And when you cry, do you die, do you feel that is your  
time.
