plenty.
I know she has a heart of fire and a dream.

Off road adventure with the sun on the sky with the
wind and heat.
Recognize that the life is like heaven to bless.

Oh we we do... parara we do... parara we do... parara
we do...

Choose a travel corridor to her own.

Fighting to have to endure life.
I was only six failed to know that he really is.
I live with my face on it.
I sang it to me to get that ...
