10% discount in the store  
Persuades you to buy what you can't afford  
What you'd never have thought of buying before  
You call it a treat for the man next door  
It's one point ahead in the status war  
And it's 10% off so you, buy one more!

10% off, freedom of choice  
10% off, ends in 3 days  
10% off, so buy what you can  
10% off, variety pays

Holidays canceled to get to the sale  
It's the last 3 days and the old one might fail  
It's didn't look too good when it came in the mail  
So like a dog in a frenzy you chase your own tail  
You're on the right track but your brain is derailed  
And the ??? quickly turns stale

10% off, freedom of choice  
10% off, ends in 3 days  
10% off, so buy what you can  
10% off, variety pays

10%, that's what it says  
If you can't afford it ask for a raise!  
It's all an investment of course  
Not a way to make your mouth water, you're eyes  
double glazed

Freedom becomes an asset to fill  
With the 10% off it's beginning to feel  
Changing is known as to beat shady deal  
Cos the price of real freedom is really unreal  
The real stuff is guaranteed, comes with a seal  
Well yea mate I've got some, but it's not for sale  
No, it's not for sale  
No, it's not for sale  
No, it's not for sale  
Not for sale
