English Translation:

It's still in my heart, even if I let you go, it won't

No matter what, be it good or bad, I'll keep it in my
heart
However long, I'll let things go as they were, know

It's been so long since I walked in, though I don't
know how much time has passed
The real world, however much it isn't like how I
imagine, nothing is like I ever dreamed

Our love, letting it go like that would be better
The smiles and the tears, I'll keep them in my heart,
okay?
The feelings I have of you and me
There's no need to let them grow, but...
