Miles To Go And Mountains To Rise
Never Stop Â– No Goodbyes

Deep Down In Water Â– Deep Down in Dirt
Wolves Devour My Heart Â– Feelings Tear It Apart
Drones Of Bother Â– Drones Of Hurt
Forever Getting Louder - Louder

I am Â– the seed Â– I am the seed of a life in regret
I am Â– deceit
I bear - the mark - of Cain - slayer of Abel
I am Â– what I am

No Goodbyes Â– your pain is my sacrifice

Where are my roots?

Flood my lungs
Suck me down
I am nothing
Let me drown

LET ME DROWN
DROWN
DROWN
LET ME DROWN
