I've been waiting for the phone to ring for a long, long
time
I've been waiting for the storm to end, but the sun don't
shine
I thought I had it, almost touched it,
But I should've left it all downtown
I still hear your voice with a frightening tone;
Shattered, broken, alone

God, I wish I could bring it home

'Cause I feel it in my soul sometimes,
Feel it in my soul sometimes,
Feel it in my soul sometimes,
The darkness is calling, and pulling me back to you

I've been waiting for these walls to give, and a flood to
rise
And I've been waiting for the hurt to end, but the hurt
won't die
Some nights, I get so fucking high, and I find those
pictures of you
I still hear your voice with a frightening tone;
Shattered, broken, and alone

God, I wish I could bring it home

'Cause I feel it in my soul sometimes,
Feel it in my soul sometimes,
Feel it in my soul sometimes,
And the darkness is calling

Feel it in my soul sometimes,
Feel it in my soul sometimes,
Feel it in my soul sometimes,

'Cause I feel it in my soul sometimes,
Feel it in my soul sometimes,
Feel it in my soul sometimes,
The darkness is calling, and pulling me back to you

Oh, I feel it in my soul, I can feel it

The darkness is calling, and pulling me back to you
