There's no sense in us not being true,  
We both know exactly what we got ourselves into  
And if you just listened to what I have to say,  
I hope you'll feel the same

I'm sorry for the hurt and I'm sorry for the tears,  
You say I only tell you all the things you wanna hear  
And if you just let me get this off my chest,  
It'll be for the best

Tell me all I'm seeing is your ghost again,  
Tell me all I'm seeing is your ghost again

And oh Jessica, I am waiting at our bar,  
I've been waiting at our bar all night  
And oh Jessica, I am waiting at our bar,  
I've been waiting at our bar all night

I wanna see a smile and I wanna touch your face  
I know you won't show, I stick around just in case  
Never thought my world would crash and cave,  
Rose petal on a grave

And sick with shower stares, and I know you never  
heard the truth  
I am lost with every thought of you

and oh, tell me all I'm seeing is your ghost again  
tell me all I'm seeing is your ghost again

And oh Jessica, I am waiting at our bar,  
I've been waiting at our bar all night  
And oh Jessica, I am waiting at our bar,  
I've been waiting at our bar all night

Am I moving too fast, am I moving too slow down, just  
breathe  
Am I moving too fast, am I moving too slow down, just  
breathe, oh

Oh Jessica, I am waiting at our bar,

I've been waiting at our bar all night  
Oh Jessica, I am waiting at our bar,  
I've been waiting at our bar all night

There's no sense in us not being true,  
We both know exactly what we got ourselves into  
And if you just listened to what I have to say,  
I hope you'll feel the same
