Walked into the party and all I hear is kick drum
Take a couple down, now I'm feeling like the devil, son
Well all I wanna do is creep up next to you,
She said 'I heard that you were wild, ' girl I, I'll take you
to the zoo

She was looking great, like a case full of dynamite
I've got a single match, for your fuse that I wanna light
And baby, when we're through, you'll get my name
tattooed
She said 'I heard about your tricks, ' girl the rumours,
they are all true

And I'm a bomb singing la la la la la la, la la la la la la
And all the kids are singing la la la la la la, la la la la la
la oh
Tonight is the night that I'm making you say wow

She looked me in the eyes and said 'you did all of the
right stuff'
Locked us in a room, couldn't take our clothes off fast
enough
And baby if you're down, we could turn this world
around
She said 'I think that you're the one, '
It'd be better if you didn't make a sound

And I'm a bomb singing la la la la la la, la la la la la la
And all the kids are singing la la la la la la, la la la la la
la oh
Tonight is the night that I'm making you say 'ou'

Things were getting hot and I always leave my socks
on,
Got no time for breaks, 'cause we only have all night
long
Baby if you're cool, we can do it all times two
She said 'can I bring my friend, Michelle?', well alright

And I'm a bomb singing la la la la la la, la la la la la la
And all the kids are singing la la la la la la, la la la la la
la oh

Tonight is the night that I'm making you say 'oh'
Tonight is the night that I'm making you say wow
