When I was a boy, I was scared as hell  
And you told me, 'hey kid, you'll be fine,'  
Now I'm next to your hospital bed  
And I'm telling you, "man, you're gonna be alright,"

When you close your eyes and see that light, well don't  
be scared  
Just walk that highway and don't look back, write me  
when you get there

And lord, don't you know, it hurts worse than yesterday  
And lord, don't you know, this pain is here, yeah this  
pain is here  
It ain't ever goin' away

And I can't sleep when I think about you  
So I go outside for another cigarette  
I swear to God I heard your voice in my head  
Saying, "don't you wish there was something you could  
forget?"

when I close my eyes and I see that light, I won't be  
scared  
I'll walk that highway and I won't look back,  
Just promise you'll meet me halfway

And lord, don't you know, it hurts worse than yesterday  
And lord, don't you know, this pain is here, yeah this  
pain is here  
It ain't ever goin' away

And lord, don't you know, it hurts worse than yesterday  
And lord, don't you know, this pain is here, yeah this  
pain is here  
And lord, don't you know, it hurts worse than yesterday  
And lord, don't you know, this pain is here, yeah this  
pain is here  
It ain't ever goin' away
