Let's go to the beach for surfing
Don't wait 'till the sun starts shining
There's no much fun in the swimming pool

Let's meet Drew and Cheri
Don't think they will get married
He uses to tell her when things go wrong

I want you I need you
No sun in California shines the way you do

Don't be untrue

Let's go to the beach for surfing
Don't wait 'till the sun starts shining

There's no much fun in the swimming pool

Let's meet Drew and Cheri
Don't think they will get married
He uses to tell her when things go wrong

I want you I need you
No sun in California shines the way you do

Don't be untrue

I want you I need you
No sun in California shines the way you do
Shines the way you do
Shines the way you do
Shines the way you do
