I'm in the mood you're in a trap
You're living in my home and I want to come back
You have to leave there's no reply
I believe I can dance I believe in the next day

You're doing anything
To stand here with me

This is tearing me apart
(This is tearing me apart)
This is tearing me apart
(This is tearing me apart)

I never thought you can fall so low
It's tearing me apart

When you gonna make me feel alive

I'm in the mood you're in a trap
You're living in my home and I want to come back
You have to leave there's no reply
I believe I can dance I believe in the next day

You're doing anything
To stand here with me

This is tearing me apart
(This is tearing me apart)
This is tearing me apart
(This is tearing me apart)

I never thought you can fall so low
It's tearing me apart

When you gonna make me feel alive

This is tearing me apart
This is tearing me apart
