I suppose the record shows that I'm a loser now
All I need is one more chance, oh baby

I've been waiting a lifetime for someone like you
I promise you this time, that I can really see it through

Chorus:
Don't worry 'bout me, that's all ancient history
Ooh baby you make me strong, if we're together, we
can't go wrong

Now I find the dye is cast, and this must be the last
Time for me, but is love blind, oh baby

I've been waiting a lifetime for someone like you
I promise you this time, that I can really see it through

(chorus repeats 2x)

(Solo)

(chorus repeats out...)
