Look you think I'm unglued
I'm just studying you.
Fold up all over town.
Stereo mindset.
Sucking you down.
You're dressed up.
Look what you've sewn.
But left your insides at home.

Hit me with your smile again.
Hit me with your smile again.

Dissapear beneath the day.
I'll know it stayed the same.
You make it hard to breathe.
You make it hard to breathe.

You may say anything that's in your brain.
You may say anything that's good for you.

It kinda gets me down.
It kinda gets me down.
It kinda gets me down.

Look you think I'm unglued
I'm still studying you.
You fold up all over town.
Stereo mindset.
Sucking you down...
