Here is the light
Here is a life once lived
It's hard to find
Somewhere to stand up

Never looking back
Always seeing the best view of you
Take the strain
And hold on tight

Who's gonna save you
FROM THESE BRIGHT LIGHTS
Who's gonna save you
When lights are lost

You're thinking about this situation
And how it's changed your life
Without those people interfering
There's a chance to make things right

Who's gonna save you
FROM THESE BRIGHT LIGHTS
Who's gonna save you
When lights are lost
Where's your misfortune
They fell behind
It's hard to live through
What's dead and gone

Here Is the light

Here is the light
Who's gonna save you

HERE IS THE LIGHT
HERE IS THE LIGHT
WHO'S GONNA SAVE
WHO'S GONNA SAVE

Who's gonna save you
When this is over

Who's gonna save you
FROM THESE BRIGHT LIGHTS
Who's gonna save you
When lights are lost
Where's your misfortune
They fell behind
It's hard to live through
What's dead and gone
