There's no one here for you
You've nothing left to show
You're not welcome now
There's no where else to go

This is a familiar foe
And I've seen it all before
Stretched out and swinging through
And I'm heading trough the door

I'm homeward bound
Both feet off the ground
We're coming out top
Not built for loss

WE'RE COMING OUT TOP
NOT BUILT FOR LOSS

What more can I do
Pick it up enjoy the show
Hang tight and drive on by
There's so much more to grow

This is a familiar foe
And I've seen it all before
Stretched out and swinging through
And I'm heading through the door

I'm homeward bound
Both feet off the ground
We're coming out top
Not built for loss
We'll see this one through
No room for your view
It's time to head back
And bring this one home

We're coming out on top
Not built, built for loss
We're coming out on top

We're coming out on top

Not built, built for loss
We're coming out on top

I'm homeward bound
Both feet off the ground
We're coming out top
Not built for loss
We'll see this one through
No room for your view
It's time to head back
And bring this one home
