

Autumn In Disguise "Long Way"

Visit "[Long Way](#)" on MotoLyrics.com

It's a long way
Long way from home
It's further than we've ever known

It's a long way
Too long to throw
I doubt we'll ever have to go

Hear me now
It's real some how
Not far enough to see
That's all we wanna be

And I'll say
And I'll say

This isn't where we make demands
We'll sing it so we'll understand
This isn't where we leave tonight
While singing woah oh oh oh

This isn't where we make demands
We'll sing it so we'll understand
This isn't where we leave tonight
While singing woah oh oh oh

FIND. YOUR WAY. IN TIME.
CHOOSE. THE LIFE. YOU LEAD.

This isn't where we make demands
We'll sing it so we'll understand
This isn't where we leave tonight
While singing woah oh oh oh

This isn't where we make demands
We'll sing it so we'll understand
This isn't where we leave tonight
While singing woah oh oh oh

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight

With our hands up screaming
No we're not dreaming tonight
