Now it's been a while
Since you've been around
And it's something
You should hide

So you can't let go
And you're aware it's breaking
Is it too much to ask
Is it too much to ask

Leave it and run
To see how it shows
Keep up this game and see
Cause she knows

It's been a while
Since you've been around

So just tell me to
Live it, or keep up
And see how it goes

So don't throw it away
Or make the mistake
It's all in this game

You're not living a lie
It's truth, live or die
It's all the same

It's been doomed
From the start
A story I've
Heard Before

So don't throw it away
Or make the mistake
It's all in this game

You're not living a lie
It's truth, live or die
It's all the same

She told him once
She told him twice
She told him once

She told him once
She told him twice
She told him once

You're just living today
It's truth what they say
It's part of the fame

You're not living a lie
It's truth, live or die
It's all the same.
