All these roads
That we've walked
Hold on tight
They're slowly crossed
Cause time stood still
But we keep moving
And flying through excuses that we tried proving

So don't let me down
So don't let down

Where the hell did I come from
And why's it taken me so long
Now it's too far gone
Go on head on home
Don't look back

Every game
That you played
Was a card
Of hope mislaid
Laying down your time like your not aware
And running from your past
I guess you've been blown this

So don't let me down
So don't let down

Where the hell
Did I come from

Where the hell did I come from
And why's it taken me so long
Now it's too far gone
Go on head on home

Where the hell did I come from
And why's it taken me so long
Now it's too far gone
Go on head on home

Where the hell

Did I come from
Where the hell
Did you come from

Where the hell did you come from
Where the hell did you come from
