Solace is what we are  
As we lay side by side  
Waiting for the day to come  
When we can be as one

I am in love's taboo  
Mystified by all of the wonders  
Of our love's taboo  
Only in time will we be granted

Silence is what we are  
As we drift away  
Waiting for the day to come  
When we can be as one

I am in love's taboo  
Mystified by all of the wonders  
Of our love's taboo  
Only in time will we be granted

I see the horses  
They galavant so quickly  
I hear the grass sing  
Reminds me of our child days  
When will you appear to be  
Here with me  
I shall wait for you  
But time is of the essence

I am in love's taboo  
Mystified by all of the wonders  
Of our love's taboo  
Only in time will we be granted
