Made a pact for my heart
To be loved
I sought out to have a life
That has no harm

Melting inside of you
Melting from your fever

Settle down
Make the best of our days
We made our own vows
What'd they mean?
Fear the moments
That we shared unhappy

It's alright to have a fight
Have no fear

Melting inside of you
Melting from your fever

Escaped into your open arms
From my past
I've learned that it's okay
To have a smile

Melting inside of you
Melting from your fever
