If the world stops turnin' round 'n round
If my feet are losin' solid ground
If my hands can touch the sky
If all sorrows fade away

If I'm feelin' strong when I'm weak
If I need no words to speak
If all nights wanna make me sigh
You're the one
The reason why

All blame on Love
Baby, that I feel for you
All blame on Love
Baby, what I'm goin' through
Lucky when I'm holding you
Lucky when I'm close to you
All blame on Love
Love, love
All blame on Love

If one day love might be down and out
If all tears are cried out loud
If I'll try another try
You're the one
The reason why

All blame on Love
Baby, that I feel for you
All blame on Love
Baby, what I'm goin' through
Lucky when I'm holding you
Lucky when I'm close to you
All blame on Love
Love, love
All blame on Love

Lucky when I'm holding you
Lucky when I'm close to you
Lucky when I'm holding you
Lucky when I'm close to you

All blame on
All blame on Love
Baby, that I feel for you
All blame on Love
Baby, what Iâ€™m goin' through
Lucky when Iâ€™m holding you
Lucky when Iâ€™m close to you
All blame on Love
Love, love
All blame on Love
All blame on Love
All blame on Love
