When time had come (time had come)
He made his decision (he made his decision)
Oh, Johnny was tired (oh, Johnny was tired)
And filled with desire (filled with desire)
He closed the door (he closed the door)
Stepped out into nowhere (stepped out into nowhere)
Not leaving a track (not leaving a track)
Will he ever come back

(CHORUS)

At break of day they found his letter
Few words of regret, will he never come back

(CHORUS)

Oh Johnny (oh Johnny, oh Johnny)
You never said a word (you never said a word, you
never said a word)
How could we know (how could we know, how could we
know)
Oh, Johnny (Johnny) please come home

Johnny Johnny come home
(Ooh Johnny, Johnny come home)
Ooh Johnny Johnny come home
Ooh Johnny Johnny come home

Johnny come home
Na na na na na na na na
Ooh Johnny Johnny come home
Ooh Johnny Johnny come home
