Get out of my brain and leave me alone,  
Get out of my brain and leave me alone,  
Get out of my brain and leave me alone,  
Get out of my brain and leave me alone.  
Why did you go and leave me here on my own?  
Why did you do this to me?  
Some time has passed, but I still feel the same.  
Why can't I get you out of my brain?

Get out of my brain and leave me alone,
