In my dreams it's still the same  
Your love is strong, it still remains

Toss and turn all night in the sheets  
I can't sleep  
Night after night don't know what it means  
In my dreams

What can I say or do  
You wont come back, were through  
I've realised too late  
That, baby, your love has turned away

In my dreams it's still the same  
Your love is strong, it still remains  
In my dreams you're still by me  
Just the way it used to be

Calling your name, but you're turning away  
Please don't leave  
Running in circles, waiting to see you  
In my dreams

What can I say or do  
You wont come back, were through  
I've realised too late  
That, baby, your love has turned away

Repeat

In my dreams I'll never be without you  
In my dreams there's nothing we can't do  
In my dreams I never have to doubt you  
In my dreams I'm still in love with you, it's true

Repeat
