Dearly beloved, we are gathered here today to witness  
and celebrate the marriage of these two wonderful  
people, cutie pie and knuckle head

oooooh yeah, ba ba ba ba ba ba ba (x3)  
its wedding time

its a beautiful day, sweet vows they're gunna say

we all agree, thats its okay.  
its wedding time

old ladies gunna cry, little kids gunna wear a little tie  
look at those bridesmaids, my oh my.

its wedding time,  
its wedding time we're all dressed up, everybody looks  
so nice

its wedding time, lets drink some champane  
go easy when you throw that raise  
yeah, hey! ba ba ba ba ba ba ba (x3)  
its wedding time

the bride is beautiful vision  
the groom looks like that guy from television

there's a whole lot of cake and a little religion  
its wedding time

its a beautiful day, sweet vows they're gunna say  
ill see you at the buffet

its wedding time  
yeah!
