You've never had a pizza like this  
Sauce so delicious and crust that's so crisp  
Plenty of cheese and toppings galore  
Once you've had one slice you're gonna want more  
Open your mouth and say hello to your brand new  
favorite pizza  
Open your mouth and say hello, hello  
La da dee da  
La da dee doh  
La dee la dee la dee dee la dee doh  
La da dee da  
La da dee doh  
La dee la dee la dee dee la dee doh  
Open your mouth and say hello to your brand new  
favorite pizza
